Planning Process Group Artifacts

10.1 Plan Communication Management

10.1.1 Stakeholder Register (Input)

PMGT 690, ERAU, Prof. Sherman

By: Matthew Holtan

10.1.1 Stakeholder Register (Input)

This Artifact was taken PMGT 502 homework, developing a stakeholder register. It was taken as an example that was used from developing the Group Project.

The Stakeholder Register was saved as an Excel attachment separately

The stakeholder register aids in identifying those stakeholders possessing a particular interest or having an impact on the communication management plan.
